

COUNTER BREAD SLICER

ISM-CBS31

STANDARD FEATURES

31 slices, 12mm thick

- ✓ Featuring a gravity feed design combined with a 31-blade cutting assembly, this slicer delivers consistent 12 mm thick slices without compressing the loaf, preserving bread texture, structure, and appearance.
- ✓ Designed specifically for countertop installation, the ISM-CBS31 optimizes workspace layout while keeping slicing operations fast, accessible, and close to production or service areas.
- ✓ Powered by a 0.37 kW motor, the machine delivers stable, continuous performance, making it suitable for daily use in bakeries, hotels, sandwich shops, and catering kitchens.
- ✓ Built with a durable metal structure and hygienic food-contact components, this bread slicer ensures long service life and easy cleaning in demanding professional environments.
