

# CAKE DISPLAY REFRIGERATOR

## ISM-SC150ER3

### STANDARD FEATURES

Free standing, 4 sides glass

- ✓ Ventilated cooling ensures uniform temperature distribution across the 3 display shelves, maintaining a stable range between 0 and +10 °C for reliable pastry and dessert preservation.
- ✓ Glass panels on all sides combined with integrated LED lighting provide clear visibility of products, improving presentation while allowing easy stock monitoring.
- ✓ Equipped with rear sliding glass doors, the unit allows quick and convenient access during service while minimizing cold air loss in busy environments.
- ✓ The stainless steel base provides improved durability, corrosion resistance, and easy cleaning, making the unit suitable for daily professional use.
- ✓ With a 630 L net volume, the refrigerator offers generous display space while maintaining a footprint suitable for cafés, bakeries, hotels, and pastry shops.
