

COUNTER TOP HEATED FRYMATE 1 GN 1/1

TKCU-2LFR

STANDARD FEATURES

Two lamps

- ✓ The Frymate Heated Lamps are designed to perfectly accommodate a standard GN 1/1 pan (530 mm x 325 mm), ensuring efficient use of space and optimal heating for your food items.
- ✓ Equipped with powerful infrared heating elements, the Frymate Heated Lamps provide quick and even heating, keeping your food warm and ready to serve without overcooking.
- ✓ Constructed with high-quality, heat-resistant materials, these lamps are built to withstand the rigors of a busy kitchen environment, providing long-lasting performance and reliability.
- ✓ Engineered for energy efficiency, the Frymate Heated Lamps consume less power while delivering high-performance heating, helping you save on energy costs without compromising on functionality.
