

PRE-RINSE SHOWER KIT WITH TAP

TKEA-HY3304

STANDARD FEATURES

Single hole, deck mount

- ✓ All-in-one deck mount, quick install: Single-hole design with integrated hot/cold mixing tap. Fewer parts, faster setup, cleaner workspace.
- ✓ Heavy-duty, hygiene-ready build: Chrome-plated brass/copper body and fittings; stainless spring hose. Resists corrosion and wipes clean easily.
- ✓ Ergonomic, high-speed rinsing: Trigger spray with hold-down clip for continuous flow. Cuts pre-rinse time and reduces hand fatigue.
- ✓ Flexible reach, controlled movement: High-arc spring and swivel riser for full sink coverage. Adjustable guide keeps the hose stable and splash-safe.
