

Intertek

BACK BAR COOLER

TKSA-BBC1GD

STANDARD FEATURES

Single glass hinged door, black interior

- ✓ Features an automatic self-closing door to consistently maintain internal temperature, crucial for energy efficiency and optimal preservation of beverages.
- ✓ Utilizes fan-assisted cooling to ensure even temperature distribution throughout the unit, perfect for environments with frequent door openings such as bars and cafeterias.
- ✓ Equipped with internal LED lights that enhance product visibility, making selections easy to view and attractive. The robust tempered glass also ensures that contents are well-protected and appealingly displayed.
- ✓ Includes two adjustable shelves, allowing for flexible storage solutions. This adaptability is perfect for managing varying stock levels or accommodating different beverage sizes, maximizing space efficiency in busy commercial environments.
