

CHEST FREEZER

TKSA-CFG338

STANDARD FEATURES

2 sliding glass doors with 5 baskets

- ✓ This chest freezer comes equipped with 5 spacious baskets, providing ample room to organize and store a wide variety of frozen goods. Perfect for large families or commercial use, ensuring all your items are easily accessible and neatly arranged.
- ✓ With a low consumption of just 1.2 amperes, this chest freezer is designed to minimize energy usage, reducing your electricity costs while maintaining optimal freezing performance. It's an eco-friendly choice that doesn't compromise on efficiency.
- ✓ Built with high-quality materials, this chest freezer is designed to last. Its sturdy construction ensures long-term durability and reliable performance, making it a great investment for both home and commercial settings.
- ✓ Featuring smooth sliding glass doors, this freezer allows for easy access and visibility of the contents inside. The clear glass design helps you quickly find what you need without having to open the lid for extended periods, preserving the internal temperature and reducing energy consumption.
