

UPRIGHT REFRIGERATOR

TKSA-UR378

STANDARD FEATURES

Single glass door

- ✓ This refrigerator is specifically designed to accommodate 60x40 trays, providing ample storage capacity for high-volume commercial needs. It maximizes space efficiency and organization for various types of products.
- ✓ Featuring a high-performance cooling system, this refrigerator ensures rapid temperature recovery and consistent cooling throughout the unit. The advanced refrigeration technology maintains precise temperatures to keep products fresh and safe.
- ✓ The refrigerator is equipped with a double-glazed glass door that offers superior insulation and energy efficiency. The transparent door enhances product visibility while maintaining internal temperatures, reducing energy consumption.
- ✓ Designed for energy efficiency, this refrigerator operates at a power consumption of only 1.6 Amperes. Additionally, the integrated LED lighting ensures excellent interior illumination, making it easy to see and access stored items.

PRODUCT SPECIFICATIONS

Dimensions	60 x 72 x 180 cm
Temperature	+2 °C to +8 °C
Volume	382 L
Rated current	1.6 A
Refrigerant/Mass	R-134A / 125 g
Energy source	220 V / 50 Hz
Foaming agent	C5H10
